## CMDS works with many missions oriented groups.

In Canada we have partnered with the Navigators and Inter Varsity Christian Fellowship in campus ministry endeavours. Internationally we have been involved with Samaritan's Purse, World Vision, EMAS, Health Partners International, Lifeline Malawi and CEML Angola.

"Thank you for your support and commitment to me and other medical students who are journeying to see where God is leading us as future doctors. It means a lot to know that Christians across the country are praying for and with us, and generously donating their time and finances to help mentor, train and shape us as witnesses in the field of medicine. I'd like to personally thank CMDS for their support as I continue to seek God's direction."

"This (Student Elective) trip (to Angola) also reiterated in me the commonalities of being human, and gave me a fresh perspective of how God views his people...I was amazed that while we may live worlds apart, we were also very similar in our basic human qualities and our desires to love and be loved, to impact others, stand up for justice, and to hope."

*Romy Cho, Medical Student, U of T*

### Providing Relationships:

- Meet transparent leaders who are professional yet comfortable with their faith.
- Listen to other Physicians and Dentists from all over the world that use their profession as a platform to open doors for the Gospel.
- Be part of a community with an eternal vision and mission that will increase your faith and make you aware of new ways to serve God.
- Be introduced to other CMDS members in your area.
- Relationships formed between CMDS members have been mightily used of God!

"We always come (to National Conference) and are blessed – especially by the community here and are 'spurred on to love and good deeds'."
